Professional Experience

Chubb Limited **Philadelphia, PA**

COG Global Treaty Co-op (Controllership) *Mar - Sept 2026*

- Reduced audit and regulatory reporting risk on $15B+ in premium by reconciling 99% of gross written premium between Sapiens & GL, resolving breaks from timing gaps to facultative contract errors
- Accelerated reinsurance settlement 60% across 3 business units & 10+ APAC & Europe territories by reengineering Bordereaux workflows in Alteryx with the Technology team
- Supported monthly & quarterly close by preparing settlement & cession reporting in Cognos and reconciliation sign off in Blackline, documenting every adjustment for audit
- Strengthened broker & reinsurer relationships by managing loss notices for large claims, and mentored incoming co-ops

GoTrust **New Delhi, India**

Product Management Intern *May - Oct 2025*

- Analyzed customer segments and competitor offerings for a DPDPA privacy compliance platform, recommending priority use cases that supported a launch campaign tripling qualified inquiries
- Compared inquiry to demo conversion across four segments and recommended tailored demos for financial services clients, raising conversion from 18% to 27% in eight weeks

Drexel Arts and Sciences Undergraduate Research Support Fund **Philadelphia, PA**

Research Fund Scholar *Oct 2024 - Apr 2025*

- Analyzed resource allocation across 100+ instructors in Excel and Stata, cleaning records and improving research accuracy 25%
- Built a structured database of education organizations, giving stakeholders one reliable reference for the findings

Leadership & Extracurricular Activities

Climate Cardinals **Drexel University**

Chapter President *Sept 2025 - Present*

- Reorganized a 50 member chapter into three teams with project owners and weekly milestones, delivering six campus initiatives
- Secured partnerships with three student organizations and grew average event attendance from 20 to 45 through targeted outreach

monday.com (MNDY) Short Valuation Thesis **Philadelphia, PA**

Personal Project *Sept 2025*

- Valued monday.com with an Excel DCF and comparable company analysis, estimating $108 per share and roughly 42% downside
- Ran bull, base and bear sensitivity cases on growth, margins and discount rates, catching an $8B enterprise value error

PwC Challenge Case Competition **Philadelphia, PA**

Winning Team Captain *Apr 2025*

- Led a four person team to first place with an ESG scoring framework and an M&A advisory recommendation
- Built a weighted scorecard comparing three advisory approaches on client value, delivery effort and independence risk

Perrin Research Institution for Human-Centered AI (UNESCO Policy Lab) **Philadelphia, PA**

Senior Editor for Educational Policy *Feb 2025 - Present*

- Lead a 25+ member editorial team on AI policy, interviewing leaders from Y Combinator, the UN, DHS and Apple
- Manage an AI literacy textbook reaching 1.2M+ students, with longform work cited in U.S. regulatory reviews
- Built a workflow tool for 24 contributors, using SQL funnel analysis to raise on time completion from 58% to 75%

Relevant Skills

- **Finance:** Financial Modeling, DCF Valuation, Comparable Company Analysis, Sensitivity Analysis, Account Reconciliation, Monthly & Quarterly Close
- **Analysis:** Root Cause Analysis, Process Improvement, Customer Segmentation, Market Research, Data Privacy (DPDPA)
- **Software:** Microsoft Excel, Microsoft Word, Microsoft PowerPoint, SQL, Python, Alteryx, Stata, Power BI, Tableau
- **Design:** Figma, Framer, Canva
